

How to Recycle Xerox Cartridges

Registered customercenter.comdoc.com users can recycle their Xerox cartridge by following the "Recycle Empty Toners" link in the Customer Center.

Not a registered user? We will gladly get you set up. Call **1-800-321-4846** option # 2 to be registered.

The screenshot shows the ComDoc Customer Center interface. At the top, there is a navigation bar with links for News, Careers, Contact, and Home. Below this is a banner with the ComDoc logo and the text "A Great Place To Work. A Great Place To Be A Customer." The main content area is titled "CustomerCenter" and includes a welcome message for Rebecca A Callahan. A tooltip is overlaid on the page, highlighting the "Recycle Empty Toners" link with the text: "Recycle your empty toner cartridges! Click here for info on Xerox's program, here for Sharp's, and click here for Konica's program." Below the tooltip is a table titled "My Status Information" with columns for MAY Reads, Service Requests, In Process, and Overdue. The footer contains the text "Powered by JDE & OMD", "Prod Environment", and "Copyright © 2010 ComDoc, Inc."

How to Recycle Printer Cartridges

- Most of our new cartridges come with a return label for the used cartridge to be sent back.
- If you have 6 or more cartridges that need returned; please call **1-800-321-4846** option #2 to request a label.
- You may also request that your service technician take the empties.
